The Best Business School

The Northwestern is the only business school in the Inland Empire that is accredited by State Universities and by the National Association of Accredited Commercial Schools. This assures you of getting the very best in business education.

At the Northwestern you get, in addition to Shorthand, Typewriting and Bookkeeping, special instruction in Business English, Letterwriting, Commercial Law, Business Punctuation, Office Practice, Actual Business and a thorough review in Penmanship and Spelling. You are also taught the use of modern office machines, such as the Multigraph, Mimeograph, Dictaphone, Envelope Sealers, Stamp Affixers and the like. Do you think a business education would be complete without these? Just ask a business man what he thinks about it. The Northwestern spends more money and time in teaching these additional subjects than many schools do on their entire course. That is why Northwestern students always hold the best positions. You can get more for your money in the Northwestern than in any other school.

Individual attention, all that is needed, is given Northwestern students by a staff of twelve competent teachers.

Positions were never so plentiful. Send for free catalogue.

The Acme Portable Projectors

Ideal for Church Use

We handle Motion Picture Projectors for every purpose, Portable or Professional.

We also handle a complete line of stereopticons, both for slides and opaque projection. The new combined Balopticon with 1000-Watt Mazda Lamp projects post cards, photos, cuts from books, journals, etc., as well as slides, with perfect results.

Through out previewed film service you can obtain film programs for every purpose. We are Agents for the best two-reel Biblical pictures on the market. These pictures are now issued regularly twice a month and have been highly endorsed by Leading Ministers and Ministerial Associations that have seen them.

We handle automobile and power electric generators which makes it possible to have "Movies" where no city current is available. We can also furnish collapsible and easily movable booths where they may be desired.

Write for prices, catalogs and any desired information.

Whereas, The annuity claims upon the Conference Board of Stewards are increasing more rapidly than the resources of the Board; and

Whereas, The augmenting of the annuity claims by adding to the list of claimants those who have not reached the age of retirement will materially decrease the amount of money available for the older and more needy men; therefore, be it

Resolved, That this Conference adopt as its policy the withholding of the annuity from any who have not reached the age of retirement but for any cause find it necessary to take the retired relation, and yet are able to earn a living at some other vocation or by supplying a pastoral charge.

REPORT OF THE AUDITING COMMITTEE

We have carefully examined the accounts of the district superintendents, secretary of the endowment association, treasurer of the conference claimants and the conference treasurer and secretary and found them to be correct.

We checked the cash and vouchers of the pastors' report to the treasurer and made the proper notation on the envelopes.

ROBERT A. ALLEN, Chairman. HUBERT VINCENT. C. A. BURRIS.

REPORT OF THE WOMAN'S HOME MISSIONARY SOCIETY

We, your committee, desire to commend in highest terms the work of this great organization as it is related to the needs of our field and its splendid activities throughout America.

We urge upon our preachers to give all possible encouragement to the expansion of its work and suggest that as soon as possible auxiliaries be organized on all our charges.

C. A. HODSHIRE, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY

We recognize in the Woman's Foreign Missionary Society an educational force which is bringing to our members, especially the women and children, a knowledge of the needs of the non-Christian world, and a redemption force which makes for the advancement of Christ's kingdom for carrying to non-Christian lands the knowledge of one God the Father of all mankind, and one Saviour, our Lord Jesus Christ.

We believe that an Auxiliary of the Woman's Foreign Missionary Society in any charge will greatly strengthen its ϵ ducational influence, its interest in the work, and add to the spiritual power of its members.

We most heartily commend the work of these women "who labor with us in the Gospel," and urge all pastors to assist them in organizing societies on all charges within the bounds of the Conference.

THOMAS LAWSON.

NEGRO EDUCATION SOCIETY

The Methodist Episcopal Church should rejoice that it has a place in its economy for the Freedman's Aid Society. Historically, seeking the education of the negro, effort was also made to raise him spiritually. The negro race was discovered to have latent native endowment and in many cases the individual response to the Society's work has been highly gratifying.

A new day is here for the negro. His war experience, training, and travel have broadened his horizon and increased his self-confidence and esteem. In large industrial centers he is an important element. Seeking a fuller self-realization, thousands have left the Southland and migrated north, going east and west to engage in business, and becoming an additional factor in already perplexing social problems.

The Church views the negro not merely as a social or economic problem, a mere abstraction, but believes that through the negro's religious growth will come a surer solution of the present problems.

Our obligations to him can be faithfully discharged only as we give this Society our heartiest support in every way, and as we educate our people to support by prayer and consecrated efforts to lift up our brothers in black.

Therefore, be it resolved, that this Conference to that end pledge this Society our hearty and fullest support.

F. R. JACKSON, Chairman, I. L. KETCHAM, C. W. GEISZLER.

COMMISSION ON METHODIST BOYS' SCHOOL FOR THE PACIFIC NORTHWEST

In compliance with the action of the last session of our Conference, the matter of a Protestant Boys' School for the Pacific Northwest for boys whose educational needs are not met by the ordinary institutions, was presented at both the Puget Sound and the Oregon Conferences. Each Conference confirmed the action taken by the Columbia River Conference and raised a like Commission. The Joint Commission was

later organized by the election of M. J. Purdue, President, and J. W. McDougall, Secretary-Treasurer. The President was instructed to investigate boys' schools and to ascertain, so far as he could, the need for such a school in this territory.

The investigation has established several facts; viz., that similar schools elsewhere are filled to overflowing with those who seek admission, it being necessary to turn many away, in some cases the number turned away being greater than the number retained; that the good being done cannot be measured; that there is a real need for such a school in the Northwest, the partial investigation made indicating that there are about a thousand boys in the area who would be benefited by it; further, that people are favorable to it and are willing to give toward its establishment, volunteering means for that purpose; also, that the Board of Education is interested, having voluntarily taken notice of the proposed school at its last annual meeting, at which time, according to statement of Dr. Harris, a committee was appointed to which it could be referred. We are given assurance that the Board of Education is ready to consider as soon as we have gone far enough to have something definite to consider. Dr. Harris asks that we keep him informed of any new developments, and Dr. Hancher advises that Trustees be elected to receive and handle any money or property that may be secured, holding the same in trust until such time as we can establish the school.

Recommendations will be made to the Conference through the Conference Board of Education.

M. J. PERDUE, President, J. W. McDOUGALL. Secretary.

BOOKS AND PERIODICALS

The Committee on Books and Periodicals beg to submit the following:

The Portland Sales Room is flourishing with an increased volume of business. We commend its patronage to all pastors, churches, Sunday Schools, and people. Proper increase of business here guarantees better facilities and greater dividends.

No business institution should receive more adequate publicity than should the Church. Our most efficient medium of publicity is our Advocate. We urge as our goal a circulation of 150,000, or one in each Methodist family in the area. October 24 has been named as Good Literature Day and the management is issuing a special number (October 6) for general distribution. We suggest general observance of this plan as a means of securing subscriptions.

A public library, of which there are 25 in our area, is patronized by many people, and we recommend that the Church located nearest a library place a copy of the Advocate on its table.

We are loath to loose from our midst our Robt. H. Hughes, who has been plucked from us by the powers that be for a higher place, but feel grateful for the bringing of Dr. Edward Laird Mills to our

midst and pledge to him our heartiest co-operation.

Respectfully,

M. R. GALLAHER, JOHN A. HOFFMAN, C. E. MILLER, C. B. MARTIN, E. S. WILLIAMSON.

CHARITIES AND REFORMS

We recommend that there be appointed by the Cabinet a Committee of five for Washington, of three for Idaho and three for Oregon, who shall constitute for those states a Committee on Charities and Reforms.

We recommend that this Committee in Washington be instructed to secure the establishment of a State Board of Movie Censorship.

We recommend that the Committee proceed to secure the passage of a measure by the legislature submitting to the people a constitutional amendment which will permit the schools of the state to give credit for work done in sectarian schools, the standards of equipment and scholarship to be set by the public schools.

We appreciate the great importance of the Board of Temperance and Morals.

We concur with the General Conference at Des Moines and "endorse the far-seeing plans of the Board in securing the most eligible site, just fronting the doors of the Capitol at Washington, for the crection of a large building commemorating the hundred years' struggle which has resulted in national prohibition, and furnish a home for the Board of Temperance and all Methodist interests that center in Washington, and be the headquarters of the Protestant and civic reform leaders who watch the currents of government and promote the reforms now throbbing for expression in the convictions of the people."

We recognize the efficient work of the Washington Children's Home Society, the Children's Home Finding and Aid Society of Idaho, and the Boys and Girls' Aid Society of Oregon. We recommend their work in finding homes instead of institutional care and pledge them our support.

We recommend that Rev. W. H. H. Forsyth represent the Columbia River Conference on the Board of Trustees of the Anti-Saloon League of Oregon.

B. C. GALLAHER.

REPORT OF THE CONFERENCE BOARD OF SUNDAY SCHOOLS

We are gratified at the splendid results obtained by the Board of Sunday Schools, through the efforts of the Conference Superintendent. We believe that the selection of M. J. Perdue for this important task was unusually fortunate. We are sure that he has a vision and a program that will vitalize and give dynamic force, to the end that religious education and building of Christian character and ideals shall be the aim of every Sunday School in Conference. We urge every minister to co-operate with him without reserve and that the

program he is emphasizing become the Conference program in order that a uniformly constructive policy may be followed.

We especially endorse: (1) The establishment of laboratory demonstration schools; (2) the enlistment and co-operation with our public schools, colleges and universities. The Church should recognize the supreme importance of the training of Christian community leadership through the work of the student classes in the schools of higher education; (3) the establishment of summer training schools and institutes; (4) we urge increased efficiency in the local schools following the program as outlined.

To the end that the Conference Sunday School Superintendent may accomplish the best results, we recommend that his work be adequately financed; especially by the supplying of office equipment and stenographic assistance. Since the Board of Sunday Schools' revenue comes from our local schools, we urge a large Rally Day collection to be used to pay for associate memberships to the Board

of Sunday Schools.

Our own Methodist literature is of the highest quality. We suggest that every minister urge his workers to use it.

I move the adoption of this report and would add to that motion that Brother Perdue's report be edited and such parts published in the Conference Minutes that give a record of the proposed Sunday School program. I move the adoption of the report and include in that motion that Brother Perdue's proposed program, included in his report, be published in the Minutes.

SUNDAY SCHOOLS

(From the Conference Superintendent's report.)

Our program for the year will emphasize organization, standardization, leadership, week-day activities, special days, evangelism, and cooperation.

1. Organization. The schools are to be properly organized by departments and classes for the purpose of study, worship and pupil participation. Besides the Cradle Roll and Home Department, the following should be recognized and where possible have separate opening exercises:

Beginners Department, ages 4 and 5. Primary Department, ages 6, 7, and 8. Junior Department, ages 9, 10, and 11. Intermediate Department, ages 12, 13, and 14. Senior Department, ages 15, 16, and 17. Young Peoples Department, ages 18 to 24. Adult Department, ages 25 up.

Each class beginning with the Intermediate Department should be organized. Printed helps will be furnished upon request.

- 2. Standardization. We should do work on a par with that being done in the public schools and colleges. We have a great curriculum provided for us. It is ours to teach it. You will be glad to know that we have an educational committee composed of Professor F. L. Pickett of Pullman, Professor Curtis Merriman of Cheney, and Superintendent O. C. Pratt of the public schools of Spokane, to have oversight of this part of our work. These trained Christian educators will meet with the Conference Superintendent from time to time during the year. Let us not be satisfied in merely "keeping school," in assembling a few people or many people together on Sunday. We must make sure that we are doing our work as it ought to be done, that we are keeping our youth for Christ and training them for Christian service.
- 3. Leadership. General Conference authorized an educational director for the local church. Each church should endeavor to find or train such person at the earliest possible date. This we urge as a task for the year, where it has not already been accomplished. Leaders must be trained. Each school should select a few persons and put them in training. Use the selective draft. Get the best. Prepare leaders not only for the Sunday School proper, but also for all activities and for the Vacation Bible School and the Week-day Religious Instruction, for both are upon us.
- 4. Week-day Activities. Especially for Intermediate, Senior, and Young Peoples' Departments. We must provide for the social and service activities of our young people. We are to deal with the whole life the whole time. If they are interested in the church but one day in the week they will soon lose interest altogether.
- 5. Special Days. Carry out the INTENT of the day. Each day is for a real purpose. Don't lose the opportunity but make the day count.
- 6. Evangelism. We must do our utmost to keep those whom God has entrusted to our care, to help those who are slipping and to win back those who have been lost.
- 7. Co-operation. If we succeed we must unite our forces. The Board of Sunday Schools and the Conference Superintendent are but helpers. We ask the privilege of working with pastors, teachers, and officers. Pastors, you can help us to help you by giving us the names of your superintendent, your educational director, your teachers and officers, by answering communications, and by distributing literature sent you.

THE EPWORTH LEAGUE

Too much emphasis cannot be placed upon the need of a new vigor in the Epworth Leagues of the Conference. The great loss that the church is sustaining through the leakage of young life is serious if not apalling. The results that can be obtained through careful work and leadership in the Epworth League suggest an opportunity that the conference ought not to overlook.

As important steps in making the Epworth League more effective

we make the following recommendations:

First: That every pastor enlist the co-operation of his young people in building up the membership and interest of the local chapters. Well planned devotional meetings, and active, systematic social life together with a Missionary Vision and Life Service ideals will do much to improve the situation.

Second: That, in so far as possible, District Conventions be reorganized with strong programs for and by young people. We believe that the absence of these annual gatherings is a serious detriment to the expansion of the Epworth League organizations and that their resumption is highly to be desired.

Third: We urge the cordial and untiring support of the Epworth League Institutes. The programs presented at Richland and Deer Lake the past season were all that could be desired, but the combined attendance of less than two hundred was not what it should have been. With enlarged plans for next year these institutes may well become recruiting stations for leadership in the church.

RESOLUTIONS.

Believing that the care of the sick is a part of the Master's program for His Church, and that our Deaconess Hospitals in Spokane and Wenatchee are the institutional means for carrying on this great work.

And, whereas, \$300,000 are needed to furnish and pay indebtedness on the same, money to be applied as follows—\$240,000 to Spokane Deaconess Hospital, and \$60,000 to Wenatchee Deaconess Hospital,

Therefore, be it resolved, that we, the ministers of the Columbia River Conference do individually and as a Conference, heartily endorse the plan of the Bishop and the District Superintendents to raise the amount stated and pledge our faithful service toward its success.

(Signed)

ROBERT WARNER, J. S. BELL.

INTERNATIONAL ASSOCIATION

Whereas, in the recent world conflict the manhood of our country was dedicated to the great cause of the elimination of war, and whereas we regard such a consummation as a concrete expression of our Christian idealism, therefore, be it resolved, that we most cordially sympathize with the suggestion that the Government of the United States should, as speedily as possible, find a way of joining in an international association, seeking to complete the work of our gallant soldiers, and so fulfill our pledge to the world.

(Signed) GABRIEL SYKES AND OTHERS.

Resolved, that the Secretary of the Conference be requested to convey to Brother Nathan Evans, our deep sympathy for him in his continuing serious illness, our appreciation of his faithful ministerial work in the past, and our earnest prayer that he may find his greatest comfort and support in the sense of the Divine Presence.

THOMAS LAWSON, GABRIEL SYKES, W. E. ARMFIELD.

COMPLIMENTARY RESOLUTIONS

We are grateful for the cordial greetings we received at the hands of the Moscow people. We are grateful to Dr. H. C. Perry and his splendid group of workers and are confident that Dr. A. W. Allen and his faithful staff cannot be surpassed, in ability to provide dining hall necessities. The entertainment of the Columbia River Conference at

Moscow is evidence of a fine type of hospitality.

We deeply appreciate the courtesy of the Spokane and Moscow press and the Burrows Adding Machine Company for their hearty cooperation and assistance. The women in attendance upon the Conference and also the women of Moscow wish to take this means of thanking Mrs. H. O. Perry and Mrs. Chas. MacCoughey for the delightful receptions given this week. Our Conference visitors have contributed much to the enrichment of our minds and hearts and we earnestly thank them for their inspiring messages. The ministers of the Conference appreciate the privilege of meeting with the laymen and participating in their forward looking program.

Through the press and various other agencies during the past years we have heard much of Bishop Shepard; but in this Conference we have discovered him. He has brought to his numerous tasks here a dignity which is uplifting; a spirit which is pervasive and a quality of character which ennobles. His addresses and serman have inspired in us a deeper devotion to the things of the Kingdom. May our

Heavenly Father abundantly bless and lead Bishop Shepard.

(Signed) JOHN ROBERTSON.

If she must leave us our prayer will follow her in her effort to bring healing and comfort to the people in far away lands, to whom she gives her life in service.

The Board wishes to commend the faithfulness of the deaconesses

REPORT OF COMMITTEE ON EDUCATION.

Your committee on education wishes to report as follows:

We are glad to express our appreciation of the work of the Board of Education, both as it relates itself to our institutions and to the students in them. We rejoice in the fact that our own educational institutions are becoming more popular and efficient. We appreciate the co-operation of the state colleges and normal schools with our Conference Superintendent of Sunday Schools in seeking to raise the educational standards in our local church schools. We are very much gratified with the work of the local churches in the college and normal school centers in their attempt to promote the work of religious education among the college and normal school students. We rejoice in the growth of the vacation schools and in the extension of weekday religious instruction and commend these lines of activity to all our churches. We commend the work of M. J. Perdue for his efforts to encourage this work. We recommend that those in charge of the program the next session of the annual conference secure the strongest man available for a series of addresses on the subject of Religious Education.

We call attention to the following statements and recommendations concerning our own institutions:

Kimball School of Theology.

We are glad to learn that Kimball School of Theology has this past year had the best enrollment in its history. Her Board of Trustees has decided upon a forward movement and has begun a campaign for the raising of an endowment of \$200,000. We commend their action as we believe our only Methodist Theological seminary in the Northwest should have an adequate financial foundation.

Willamette University.

Willamette University, the oldest institution for higher learning west of the Mississippi River, is entering upon an era of unprecedented prosperity.

The new dormitory for young women is almost completed and can be fully occupied very soon after the opening of the college year. The building is modern in every respect, being arranged and equipped with everything that can contribute to comfort and happiness. It will accommodate 125 girls without crowding.

Waller Hall which was ruined by fire at Christmas time, has been transformed into one of the most beautiful and convenient college buildings that can be found anywhere. It contains class rooms, a chapel that seats six hundred persons, the library and reading room, with a capacity for 200 readers.

The total cost of the building program will be at least \$150,000. President Doney and staff of helpers are busily engaged with the labor of gathering up this amount. The Rockefeller Foundation pledges \$350,000 toward a million dollar endowment and an annual sum of \$17,500 for two years to apply on salaries, provided the college will secure a like sum.

Your committee recommends that this conference congratulate the Trustees of the college on the material prosperity of the school and on the adoption of the large program of raising building fund as well as a million dollar endowment, and pledges its moral and financial support to the trustees and the president, Carl G. Doney, until the task is accomplished.

We desire to make the following nominations:

For trustees of the College of Puget Sound—Rev. U. F. Hawk, R. H. Briggs, Kennewick, Wash.

For conference visitors of College of Puget Sound—Rev. A. A. Callender and Rev. F. N. Morton.

For trustees of Willamette University—Rev. J. W. McDougall, Wm. Shearer, Toppenish, Wash.

For conference visitors of Willamette University—Rev. N. M. Jones and Rev. Henry Green.

For trustees of Kimball School of Theology—Rev. U. F. Hawk, A. B. Lee, Spokane, Wash.

For conference visitor of Kimball School of Theology—Rev. Chas. MacCaughey.

Boys School of the Pacific Northwest.

We are pleased to report progress on the Methodist Boys School of the Northwest, and recommend that the commission be continued and authorized to elect a board of trustees, who shall receive, acquire, and administer whatever contributions may be made to the movement.

Inasmuch as certain campaigns are already planned for this coming conference year within this area we deem it best to postpone and intensive efforts in this cause until a more opportune time.

We recommend the re-election of Judge W. A. Huneke as a member of the commission for a term of three years. Also that the president of the Joint Commission, M. J. Perdue, be authorized to request similar action at the other conferences of the area.

COLLEGE OF PUGET SOUND

The College of Puget Sound placed before this Conference one year ago, a program calling for the raising of an additional \$1,000,000 for building and endowment; and the purchase of a larger campus. It is with devout thanksgiving to God that we received the report that over one-half of the sum has been subscribed, and that a campus of approximately forty acres is in process of purchase.

It should be remembered that this College is the only Methodist educational institution of college grade in Washington. It is strategically located and is easy of access. Its academic standing has steadily improved, and its faculty has been strengthened. A goodly percentage of the student body are preparing for a life service as God may call.

Some statements of the Chairman of the Board of Trustees of the College should be reported to you and recorded:

"President Edward H. Todd has served the longest term in the history of the College. . . . He has seen us through two campaigns when every cry was, 'It can't be done.' . . . The assets outside of buildings and grounds (seven years ago) were only nominal . . . today they amount to about \$800,000."

He credits the action of this Conference nine years ago in assigning the Educational Collection from charges north of the southern boundary of Washington to the College of Puget Sound as having been "an ever increasing factor in the success of the school."

Last year this Conference congratulated the College upon its program and pledged "its moral and financial support to the Trustees and President Edward H. Todd, until the task is accomplished."

Owing to the fact that the hospitals of the Conference are to put on a campaign, and must of necessity take precedence, your Committee on Education recommends for adoption that this Conference authorize the appointment of a committee of five, by the Bishop, to co-operate with and counsel the officers of the College relative to plans and developments in interesting various persons in the program of the College, who reside in this Conference north of the southern boundary of Washington.

MEMOIRS

Mary Esther Hoadley

Mary Esther Hoadley, nee Mary E. Whitney, born September 2nd, 1841, at Berea, Ohio, died at 1579 Fiske street, Portland, Oregon, November 22nd, 1919. She was descended from Eli Whitney, a relative of Secretary Whitney of the navy department in Cleveland cabinet, and of the two distinguished Professors Whitney, after one of whom a mountain in California has been named. Graduating from college in which she excelled in scholarship, she was married April 29th, 1869, to the Rev. B. J. Hoadley, with whom she journed from one field of labor to another throughout three different states. Her interest in the Woman's Foreign Missionary Society was unfailing and she lifted many a local society in Ohio to be a fruitful branch. She was sunshine in disposition and her hearty laugh was enjoyable to hear. made friends and never lost them, so sacred was friendship to her. Converted when a child, she was ever interested in childhood conversion. Her home at Portland and her cottage by the ocean wave were very dear to her. Loving the beautiful, the rarest blooms were ever under her eye and care. Better than her more than ordinary mental parts, was her Christian life, as quiet as sunshine, and as diffusive as light. She has clasped two children in heaven, and a son, Geroge W. Hoadley, his wife, Edna, and daughter Ruth, and her husband yearn after her in all the days to come. The funeral was held at University Park, and conducted by the Rev. H. T. Atkinson, and former pastors.

Rev. H. B. Emmel

Bro. Harry B. Emmel passed to his eternal reward while in Army Y. M. C. A. work in Siberia on February 27th, 1920, at the Military Hospital at Vladivostok. Sudden as thunder came the news by wireless message on the day he was supposed to leave for his home in Hood River, Oregon.

Last July when men were needed for sentry duty, although this was not included in his tasks as a Y. M. C. A. worker, he volunteered.

The inclemency of the weather and the arduousness of the duty brought on attack of dysentery which necessitated his removal to the Base Hospital at Vladivostok.

In spite of his weakened condition in October, he could not resist a trip into the interior to his former station in order to secure for his men long-delayed and much needed supplies.

With his passion for service undiminished, his physical forces never seemed to rally as before, and on March the 3rd the message was received that on February 27th he had succumbed to typhus fever in the Military Hospital at Vladivostok.

Bro. Emmel was born in Dayton, Oregon, April 19th, 1880. In holy matrimony he was united to Luella Lesher on April the 5th, 1906. To

this happy union were born four children, John Clifton, Agnes Virginia, Harry Elwyn, and Ruth Eleanore.

Bro. Emmel took his first charge in the Methodist Episcopal Church at Lake Como, Penn., at which place he served three years. He then entered the Columbia River Conference serving at Hermiston, Ore., Peck, Ida., and was in the middle of his second year at Kendrick, Ida., when the call came for volunteers in the Y. M. C. A. work in France.

He enlisted, but on account of conditions at that time, was employed in the filing department of the Y. M. C. A. at New York.

At the close of the war in Europe he was transferred to Russian Siberia, where he served until his death.

His aged mother, wife and four children, and three sisters are left to mourn his death.

Bro. Emmel's father preceded him to the better world only two months before.

To enter the home of our subject was a benediction. He was a devoted husband and a kind father.

His sterling qualities, his manly vigor, his magnetic personality will long be an inspiration to his multitude of friends, and the warmth of his geniality will continue to glow in our hearts.

Our earnest sympathies and prayers are for the fatherless and widow and all who mourn, whilst our praise is for him who fought a good fight, who kept the faith and who is gone to receive "the crown of righteousness the Lord hath laid up for him."

—E. C. NEWHAM.

The body was temporarily interred at Vladivostok. At the funeral services many glowing tributes were paid by his officers and the many comrades who had learned to love him with ardent devotion.

At Hood River, Ore., a beautiful memorial service was conducted on Friday, March 5th, in Asbury Church by Revs. E. C. Newham and D. M. Helmick.

Rev. Henry A. Sheldon

Henry A. Sheldon was the son of Amariah and Augusta Sheldon, and was born in Ray, Oakland County, Mich., December 31st, 1864.

After spending several of his early years in the west he returned and taught school a few years, and on the 28th of December, 1892, united in marriage with Miss Francis Starring at Clarkston, Mich. After attending Albion College he joined the Detroit Conference, where he served several charges.

His health becoming impaired while at Graylin, he transferred to the west in hope of improved health, and joined the Columbia River Conference, where he served as pastor at Colville, Davenport, and Spokane, Wash. But his health became precarious there also, and eventually having collapsed, he returned to Mich., in 1911, and located in Ann Arbor.

As soon as he recovered sufficient vigor, being naturally very industrious, but reasoning that some occupation less nerve-racking than the ministry would be expedient, he ventured in business, in which he was contented and successful financially.

Rev. Henry A. Sheldon had a strong mind as well as a stalwart body; but delicate health prevented his attainment to those professional heights for which he was by nature gifted.

He was very devout, public-spirited and liberal, and zealous in soul-winning.

Although his regular work was a large man's job, yet being invited last fall by members of the Broadway Church to become their pastor, he was appointed by the Conference.

Bro. Sheldon had a fraternal spirit, and when the Twilight Club (an organization of the retired ministers, their wives, and widows) was organized, he was elected vice-president.

Near the close of March he became prostrate through acute dilitation of the heart, and succumbed on the 7th of April.

He was a true-hearted prophet in Israel. Many of us may well pray for a double portion of his spirit.

One child, a daughter, Olive, highly esteemed by all her acquaintances survives the father. The funeral was held at the home.

Besides the writer, the following ministers were present: Woodhams, Winton, Stalker, Rowe and Weufrel. The remains were interred at the cemetery at Clarkston, beside the body of his wife whose spirit migrated to the better land about two years ago.

Helen Anna Burrill

She is gone but shall not be forgotten. After a few busy months of setting her house in order she was, like many of her friends, taken with the "Flu" and died January 9, 1920, at the age of seventy-one.

She was educated in Rock River Seminary at Mt. Morris, Ill., graduating in a class with Rev. Henry Brown and Rev. Sanford L. Burrill whom she married in 1896.

Both she and her parents were ardent Methodists, their home always open to the Methodist Itinerants, and greatly loved by all her old friends, who mourn her loss or rejoice with her in glory. She was very active in Missionary work and the Temperance movement.

In 1896 she came to the great West to join her husband, who was one of the pioneer members of the Columbia River Conference, here to do the Master's work of love and to grace the Methodist parsonage, which she did to the great benefit of everycharge on which she lived. She was constantly in the field with her husband, oftentimes taking the pulpit herself.

Mrs. Burrill was very intimately interested in the Woman's Foreign Missionary Society, and like her old friend, Mrs. Lucy Brown, and who was for so long a time Conference Secretary. She was Conference Treasurer for several years till her health became poor, then on account of failing health her husband retired from active work in 1901, her interest still unabated. As local Treasurer she was largely instrumental in building up a strong society in Firts Church, Yakima.

Mrs. Burrill gave largely of her means, denying herself of clothing and personal comforts of life in order that there might be money for Missions. Her great interest in Missions was shown when hee took out a life annuity of \$500 with the Woman's Foreign Missionary Society, and yet again increased that sum to \$1,500, specifying that it was to be used in founding a home in India in honor of her mother and naming it the Anna Angle Home. She again added to this gift through her will all of which provided that her entire estate should go to the home and to the Spokane Deaconess Hospital. She loved to give and was blessed in her giving. Not forgetting education, she gave a cash contribution of \$4,000 to the College of Puget Sound.

Every one who met her loved her, refined in spirit, full of determination that the Master's cause should go forward, she bent every energy to build up Christ's Kingdom, and God has now called her to be with her Christ in Glory. God will bless her work and it shall

go on. `Amen.

Mrs. George Waters

Mrs. George Waters, wife of our only Indian preacher, living at Toppenish, Washington, passed away during the past year.

Sister Waters was a true helpmeet to her husband and an ideal Christian mother. Through the long years of her husband's ministry she has been ever sympathetic and energetic.

For a minister to go into her home was to be reminded that he was expected to read the bible and pray. She was a real Methodist of the old type. She loved her home, and did her part in serving the Yakima Indians.

During her last illness she was a patient sufferer, reflecting the,

finest Christian spirit.

The Columbia River Conference wishes to extend to Brother George Waters its most heartfelt sympathy. The conference also is praying for the recovery of Brother Waters, who is now ill.

Helen Koontz Martin

On April 19, 1920, occurred one of the deaths that touch deeply the heart strings of a widely varied and scattered group of humanity, the memory of which clings closely to many, for there was called home at that time one whose sweet and gracious personality had impressed itself upon an unusually large number of lives during its short stay on this earth.

Helen Koontz Martin, the only daughter of Rev. and Mrs. B. E. Koontz, was born January 28, 1892, at Sprague, Washington. She attended school at the different points of her father's ministry, including Hillyard, Ritzville, and Moscow, graduating from Moscow high school in 1910. She also attended the Vision with the large of th

in 1910. She also attended the University of Idaho at Moscow.

On April 30, 1911, she was united in marriage to Wm. M. Martin of Moscow. There have been born to this union two children, Eleanor, now aged 7, and William E., aged 5. Two years after their marriage Brother Martin entered the ministry, and he and his consecrated little wife have faithfully served the charges at Moscow circuit, Medical Lake, Dishman, and Endicott, in all of which places they have done worthy and lasting work, and made a host offriends.

Mrs. Martin had been in frail health for a number of years, and at last decided to undergo an operation in the hope of being restored to her family in health. The most skilled service possible was obtained and the operation was performed in the Deaconess hospital April 16, and conditions seemed for a time very favorable for her recovery. Indeed her friends felt that cause for immediate anxiety was over, when almost without warning the brave heart failed and Heaven was enriched by the presence of the gracious spirit of beloved woman.

The funeral services were held in St. Paul's church, Spokane, and were beautifully and impressively conducted by Rev. W. E. Armfield, assisted by Rev. Henry Brown and the writer of this obituary, all old friends of Brother and Sister Koontz and Brother Martin. The masses of beautiful floral offerings gave silent tribute to the glorious flower

transplanted to God's own garden.

Helen Koontz Martin is gone, but the influence of her young life still lives, not only in the hearts of her sorrowing husband, children, father, mother, and brother, but in the lives of those with whom she had lived and labored all her life as the daughter of a Methodist minister and the wife of a Methodist minister.

MRS. CHAS. ANDREWS.

Agnes Tregoning Marvin.

Was born in England, April 26, 1861, came to the Santa Clara Valley, California, when she was a young girl, and was married to M. H. Marvin September 13, 1888, in Oakland, Cal. She came with her husband to the Columbia River Conference, he uniting with the Conference on probation at Moscow, Idaho, Sept. 23, 1888. The whole of the active ministerial life of Brother and Sister Marvin was spent in the Columbia River Conference, and six years ago they moved to the Puget Sound on account of failing health.

Mrs. Marvin died in Seattle, Oct. 17, 1919, after an illness of eight weeks, from heart trouble, from which she had suffered for years, despite which she was an active and efficient worker in the Kingdom. She was buried in Seattle, Rev. Nathan Evans, and Rev. R. J. Reid, old friends of the family, assisting Dr. J. E. Crowther in the funeral ser-

rices

Deceased was converted and united with the church when she was a girl, and was known by all because of her manifold church activities, especially in connection with the Woman's Foreign Missionary Society.

Rules of Order

- I. The Conference shall open its sessions at 8:30 a.m. and adjourn at 12 m. The first thirty minutes shall be devotional services under charge of the Presiding Bishop.
- II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.
- III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.
- IV. It shall be the duty of every member to give his vote on all questions unless for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.
- V. The vote on any question before the Conference shall be taken by roll call, if such is asked for by thirteen members.
- VI. No person shall speak more than twice on the same question; nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.
- VII. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance, where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference Claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.
- VIII. No person shall be admitted on trial in the Conference or by credentials from other churches who is past thirty-five years of age and who cannot furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.
- IX. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.
- X. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.
- XI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the District, to notify all the preachers in the district of such death, and of the time set for the funeral services.
- XII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.
- XIII. There shall be an executive session of the Conference on the afternoon of the second day unless the time shall be otherwise designated by vote of the Conference.
- XIV. It shall require two-thirds of those present and voting to change or suspend any of these rules,
- XV. Memorial Service shall be held on the first day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper. At each session of the Conference a standing committee on memoirs shall be appointed by the Bishop, to be in charge of the Memorial Service at the succeeding Conference session. The chairman of this committee shall be responsible for the preparation of a brief memoir of each member of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Con-

ference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XVI. All members of the Conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, all candidates for admission on trial, and all supplies, who attend the session of the Columbia River Annual Conference must file with the Secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which he came, the fare paid each railroad, stage or other conveyance within the bounds of the Conference in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay the Secretry an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average fare an amount equal them, the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XVII. The Conference shall consider in executive session all personal matters regarding the character of its members, or the character of any who are proposed for membership.

XVIII. Roberts' Rules of Order shall be the standard of parliamentary usage.

XIX. The Conference Deaconess Board shall nominate the Trustees for the Maria Beard Deaconess Hospital Association of the Methodist Episcopal Church, and also three Trustees for the Central Washington Deaconess Hospital, in the manner prescribed by the Articles of Incorporation of the said Association.

THE RELIGIOUS MOTIVE IN AMERICAN EDUCATION

- The great need to-day in American education is cooperation and vision.
- The Church School Teacher should have an intelligent appreciation of the aims and technique of public school education.
- The Public School Teacher should learn to take into account the religious motives of the pupils.
- Both Teachers should have a vision of the common task and
 cooperate closely.
- There is a call for religious educators to establish Community Schools of Religious Education and Week-day Schools of Religion.
- Textbooks are in preparation.

AUDITING COMMITTEE

The committee have examined the accounts of the district superintendents, Secretary of the Endowment Association, Treasurer of Conference Claimants and the Conference Treasurer and Secretary, and found those at hand to be correct.

According to the action of last year we did not audit the pastors' reports.

COMMITTEE ON GROUNDS FOR PERMANENT LOCATION OF EPWORTH LEAGUE AND SUNDAY SCHOOL INSTITUTES

Your Committee regrets that it is compelled to report that the property under consideration at last Conference session was not secured and no other favorable ground has been found. We believe that we will not be able to do the great constructive work with our young people that ought to be done until such grounds are secured.

THE WOMAN'S HOME MISSIONARY SOCIETY

This society is vitally interested and is closely related to the needs of the church and the parsonage home. We therefore commend it and urge the pastors to give such assistance to the organizing of auxiliaries wherever possible.

J. D. BIRD. CHAS. A. HODSHIRE, C. M. CARSON.

THE WOMAN'S FOREIGN MISSIONARY SOCIETY

The work of the Woman's Foreign Missionary Society is now sufficiently well known to need no detailed explanation, yet there is no danger of overemphasizing its value and efficiency. The Christian life must find its expression in doing for others, or die within its own selfish limits. The women of our Church are learning their responsibility for the ignorant and suffering womanhood of the non-Christian world, are sending, and going, that the love of Christ may become known.

From this Conference a daughter of the parsonage, Miss Ruth Warner, has gone to teach the girls of South America, and a Deaconess nurse, Miss Ethel Butts, is doing hospital work in Korea.

In hearty recognition of woman's work for the womanhood of the non-Christian world we give encouragement to the society and co-operation in its obedience to the Master's command: "Go ye into all the world."

METHODIST BOYS' SCHOOL FOR THE PACIFIC NORTHWEST

Your Committee on Education wishes to present the following: We appreciate the encouragement coming to the commission which has charge of this movement and beg to recommend that such commission be enlarged and continued with the powers conferred upon it a year ago, viz.: "Authorized to elect a Board of Trustees, who shall receive, acquire and administer whatever contributions may be made to the moveent."

We nominate the following persons as members of this commission:

M. J. Perdue, W. B. Young and Mrs. George Gobel, for one year; J. A. Huneke, H. O. Perry and J. D. Behringer, for two years; Dr. Gertrude French, A. A. Callender and H. L. Brainerd, for three years.

ENFORCEMENT OF PROHIBITION LAW

We commend the enactment of the Volstead Law, and pledge to it our hearty support, remembering that no law can be selfenforcing.

We sternly deprecate all efforts now being made to weaken the power of this law by subtle amendments.

We deeply deplore the trifling spirit with which many otherwise desirable citizens treat the enforcement of this law.

We are glad to recognize that most officials are making an honest effort to enforce all prohibition laws; at the same time we condemn the very evident laxity which exists in some quarters.

We pledge ourselves and urge our members to look carefully to the election of Congressmen who will give vital force to the Eighteenth Amendment.

We pledge our support to all officials whose duties it is to carry out the provisions of the Prohibition Law.

J. H. SECOR, M. H. MARVIN.

CHARITIES AND REFORMS

We commend the work of the Washington Children's Home-Finding Society of Washington and of the sister societies of Idaho and Oregon.

We deplore the efforts of certain elements in our society to break down the sanctity of the Christian Sabbath by unnecessary work or hurtful pleasure. We will resist with all our power the forces that would destroy a fundamental part of our birthright and turn the American Christian Sunday into a day of business and commercialized pleasure.

We believe that the use of tobacco, and especially of cigarettes, is seriously imperiling the future mental, physical, and moral welfare of society and therefore pledge ourselves to discourage this destructive habit.

We express our confidence in and pledge our support to our Board of Temperance, Prohibition and Public Morals.

We note with dread the spirit of distrust so prevalent in our commercial and industrial life. Let us set ourselves to dam this tide of dissension by imploring our people in the name of our country and our God to place the duties to God and fellow man above individual rights.

As we come to the time when the scientific and industrial advance may come to their fruition in great changes, when capitalistic system, the wage system, the industrial order, the church, the home, the school, the state are being submitted to the attack of all evil forces and to the test of all the age, let us go with humble and prayerful hearts to the feet of the Christ.

We believe in war only as a last recourse. We honor the men who have given their lives to secure to us the blessings of liberty.

But we believe the time has come for all nations to disarm and to settle disputes by arbitration. We commend the President of the United States in calling a disarmament conference and we advocate a general disarmament of the nations and that the United States take the first step in accomplishing this end.

B. C. GALLAHER, Chairman.

CONFERENCE COMMITTEE ON HOSPITALS AND HOMES

The Conference Committee on Hospitals and Homes recommend that the Boards of Trustees of the Conference Hospitals so amend their articles of incorporation that they will conform to the new general Conference legislation.

In view of the new critical financial situation of our hospitals, we recommend and urge that the financial resources of the Conference territory be applied to the hospitals campaign and the members of them are urged to rally to this one thing.

We further recommend that there be a clear understanding on the part of our pastors and churches that the efforts of the past year were made to meet a crisis and that every part of our field be kept open this year for a thoroughly organized campaign to secure the funds needed to clear up not only all indebtedness but also to provide for such new additions as are necessary.

C. C. CURRY, F. L. MORE.

REPORT OF THE COMMITTEE ON EDUCATION The Board of Education

It is gratifying to report that the income of the Board of Education of the Methodist Episcopal Church has at last risen to such a figure that the Board can be organized in departments.

This makes possible direct supervision of the educational work of the church, and departments are now functioning in the supervision of our denominational colleges, schools in the South, religious work in Colleges, and the Conference Course of Study.

The collections and the payment of loans of the Children's Day Fund have increased quite substantially. This enables the board to assist a larger number of students in our colleges. This fund should be carefully looked after by our pastors, and the proceeds sent directly to the Board of Education in New York.

College of Puget Sound

The College of Puget Sound reports a year of victories. The

whole of Methodism was thrilled when the fund of one million dollars was oversubscribed on April 14, 1921.

The enrollment of 264 students in college subjects during the college year, and 266 in Summer School, and the number of the graduating class last June were all above previous records. Then 107 were enrolled in the Summer School for Religious Education, conducted by the Sunday School Board; and if we add the enrollment in the Conservatory of Music, nearly 700 persons received some instruction in the college during the past year.

Many states of the Union have placed the college on the accredited lists of institutions of higher learning, while other states have the matter under consideration.

The General Education Board of New York City set its seal of approval on the college by making to it a formal proposition on May 2, 1921, to make a donation of \$250,000 on general endowment, if the college would raise a similar amount for the same purpose.

We congratulate the College of Puget Sound and its President upon this fine achievement, and in recognition of the vital relations existing between us, and of the fact that the subscriptions to the one million dollar fund completed April 14, 1921, were almost wholly made up by people in Western Washington, we pledge our prayers and hearty support, and join with the Puget Sound Conference in thanksgiving to God for these victories.

We place in nomination as Trustees for the period of three years: D. H. Cox, Walla Walla, Wash., and N. M. Jones, and for Conference Visitor, W. B. Young and F. M. Morton.

Willamette University

Willamette University has had a year of unprecedented prosperity, and the opportunity for its future in training the young for the best type of Christian citizenship is a challenge and an inspiration.

Commenting upon this institution, the "Oregonian" said recently, "Willamette has kept the faith."

The new dormitory for young women is a great asset to the school. The loss of the gymnasium by fire in the early spring affords a chance for the friends of the institution to give assistance in an effort to care for this department of college life in a worthy

Soon a program must be inaugurated for the raising of a million

dollars to meet the pledge of the Rockefeller Foundation of \$350,000
We most heartily commend the President, Carl G. Doney, and congratulate both President and Trustees on the success that has come to the University.

For Trustees: G. E. Hunt, Spokane, Wash., and H. F. Pemberton, The Dalles, Oregon; Conference Visitors, Robert Brumblay, Sunnyside, Wash., and Robert E. Smith, Yakima, Wash.

Kimball School of Theology

We are encouraged by the increasing number of choice young people who are responding to the call for life service. This response on the part of our young people calls upon the church to make better provision for their training and equipment. We appreciate the excellent work being done by the Kimball School of Theology at Salem, and the Northwest Deaconess School at Seattle. But we feel there is a larger field of training to be covered than can be achieved by either institution; and we believe the time has come when there should be adopted for the Northwest

a unified program of religious education and training.

We therefore recommend the appointment of a commission of three members from this Conference, one at least of whom shall be a layman, to meet like commissions from the Idaho, Montana, and North Montana Conferences of the Helena area, and from the other Conferences of the Portland area, together with the Bishops of these two areas, and representatives of the Board of Education, to make a thorough study of the situation.

This joint commission shall be requested to determine whether or no a unified program would best serve this great purpose, and

to recommend a center for the location of the institution.

For Commission on Unified Program of Religious Education and Training we nominate J. W. Caughlan, H. C. Kohr, and Prof. Carpenter of Pullman, Wash.

We place in nomination as Trustees for Kimball School of Theology: J. R. Forden, Hood River, Oregon, and U. F. Hawk, Spokane, Wash. For Conference Visitor: Chas. MacCaughey, Moscow, Idaho.

Wesley Foundation

We heartily approve the movement for the ultimate establishment of Wesley Foundations at Pullman and Moscow, and desire to nominate for Pullman the following persons to represent this Conference as Trustees: J. C. Cunningham, J. W. Caughlan, George Phillips, Robert Brumblay, H. A. Ellis, and J. M. Walters.

H. C. KOHR, Chairman, GABRIEL SYKES, Secretary.

RESOLUTION ADOPTED BY THE LAYMEN'S ASSOCIATION OF THE COLUMBIA RIVER CONFERENCE, SEPTEMBER 3

Whereas, The laymen of the Columbia River Conference have viewed with pleasure the strong, virile and winning leadership of the forces of Methodism in the Columbia River Conference and the Portland area by our resident Bishop, W. O. Shepard, and,

Whereas, Bishop Shepard is now calling upon the Methodists of the area to meet the enlarged program of the church and face the great responsibilities resting upon her with determination and aggressiveness; therefore be it

Resolved, That the Laymen's Association of the Columbia River Conference hereby pledges its united support to the Bishop in his work for the upbuilding of the Kingdom of Christ in this area and does hereby place at his disposal and the disposal of each pastor of the Conference, the organization and membership of the association in helping meet and solve the tasks and problems of the church in this Conference.

Adopted by unanimous vote of the Laymen's Association.

F. L. DAGGETT, President, R. L. BRAINARD, Secretary.

RESOLUTIONS

WHEREAS, Under the divine goodness of our Heavenly Father, we have been permitted once more to meet in Annual Conference in the beautiful city of Spokane, the guests of Spokane Methodism, be it therefore

RESOLVED, That we give expression to our gratitude in the following manner:

- 1. For the cordial welcome extended to us by the Pastor and Official Board of this church and also by the members of the other churches in this city. We have been deeply impressed by the refined dignity and quiet strength of Dr. R. N. Avison and the devotion of the laymen here is also worthy of special mention.
- 2. We can scarcely give adequate expression to our feelings for the generous attitude of the Spokesman-Review and the Chronicle of this city for the liberal way they have opened their news columns to things of public interest in our Conference sessions.
- 3. We have thoroughly appreciated the presence of Mrs. Wm. O. Shepard, Bishop H. M. DuBose, Drs. G. A. Landon, W. W. Youngson, S. A. Danforth, Bert E. Smith, A. L. Howarth, Eugene C. Hickman, E. H. Todd and Carl G. Doney.
- 4. The music of the Conference sessions has been enriched and inspired by the leadership of Mrs. Dayton Stewart of this church, for which we feel a lasting indebtedness.
- 5. The ministers are grateful to the laymen from the various charges for their inspirational program, for their forward look and for their note of triumph during the coming year.
- 6. We deem it worthy of special notice to have witnessed the dramatic anniversary of the Deaconess Hospital of this city and also "Granny of the Hills," by the Queen Esther Society of St. Paul's Church.
- 7. Our Chief Pastor, Bishop Wm. O. Shepard, has endeared himself to the hearts and judgment of the men of this Conference. He leaves us once more indebted to him for the clear, patient judgment and tender sympathy toward the interests, first of the great church of which we are a part, and, secondly, to the numerous details of each pastor and his family. The Conference notes with appropriate expression with what dignity our Bishop has borne the burdens of this Conference. He has reflected Christ and we are grateful.
- 8. We would especially express our appreciation of the courtesy extended by the Old National Bank of this city to our Conference Treasurer.

Conservation and Advance Program

Your committee appointed for the purpose of formulating a Conference Program on Centenary Conservation and Advance beg to submit the following:

First, as soon as possible after the opening of the new Conference year we agree to see that the lists of subscribers to the Centenary are checked carefully, to send to every subscriber a statement every quarter, and to collect funds as rapidly as possible.

Second, to solicit or apportion all new members.

Third, that we observe the last Sunday in October as Centenary Sunday and present to the people the vital things already accomplished by the Centenary, together with the outstanding needs, and that this be followed by an occasional sermon during the year on some phase of the Centenary program.

Fourth, that we put on a Stewardship Campaign at as early an hour in the fall as circumstances will permit, and endeavor to

make a large increase in the number of Tithers.

Fifth, that we exercise great care when issuing church letters that complete information concerning the Centenary status of persons involved is given at the same time, and their pledges, if any, inclosed.

Sixth, that the District Superintendents at the First Quarterly Conference of each charge inquire carefully concerning the status of the Centenary and do all in their power to stimulate the same.

of the Centenary and do all in their power to stimulate the same. Seventh, that our goal during the year be 100% payment on the amounts due on Centenary subscriptions, and that an hour be set aside as "Centenary Hour" on the second forenoon of the Conference session next year.

Eighth, that we recognize the impossibility of achieving the largest results apart from special emphasis upon the spiritual program of the church, and that we unite in a common endeavor to make the coming Conference year the greatest we have ever known in real spiritual and material achievements.

BISHOP SHEPARD

Bishop Shepard's address at the Laymen's Banquet sounded a challenge that we dare not ignore if our church is to meet its obligations to the Kingdom of God. Through the doors of the home, the public schools, and the Sunday Schools, we must enter and capture the youth for Christ. The splendid progress that has been made in the enrollment, attendance and efficiency of our Sunday Schools is very encouraging, but we dare not congratulate ourselves until everything has been done that can be done to reach the hundreds of unreached boys and girls in our communities. No part of our ministerial work has larger opportunities, nor is there a more important task.

The Board of Sunday Schools, through its Institutes and Summer Schools of Religion, is rendering an exceedingly valuable service to our Sunday Schools, which we appreciate, and we urge that our pastors and workers claim for themselves and their schools the

inspiration and practical help which these Institutes and Summer Schools afford.

The Conference would indeed be ungrateful if it failed to express its appreciation for the faithful, intelligent and helpful work which our Conference Superintendent of Sunday Schools, M. J. Perdue, is performing. Wherever he goes he inspires new visions, kindles fresh enthusiasms and dispenses wider information for the Sunday School task.

SPOKANE ANNUAL CONFERENCE HELD AT ST. PAUL'S M. E. CHURCH

Dear Brothers and Sisters:

I am going to speak a few words about my dear wife. She leave me last year and half ago 2nd of Feb., 1920. Her last words was this, O! Mercy Lord. I have finished my good work. O! Mercy Lord, take me up to heaven, and she closed her eyes and slept, truely, she was always willing to go with me wherever I used to go and preach to the Indian Meetings, since in 19 years. She was honest and true upright gentle woman. She leave me and no children, that makes me feel lonesome when I think over about her, thats the reason last year Conference I never come to attend, I was sick and weak, so I went up to mountains and camp out for my health and this summer my health is good and I thank God for He spare my life longer. So I can work for Him wherever He wants me to go. I will go, until I finish my work, then I shall go and met her and all my dear loved ones. Dear brothers and sisters pray for me that I may be more faithful in His work. Praise the Lord and remember yours truly brothers in Jesus name—

(Signed) GEORGE WATERS.√

√ Brother L. N. B. Anderson was born August 16, 1850, in the state of Indiana, and passed away May 14, 1921, at McEwen, Oregon, age 70 years, 8 months, and 26 days.

When thirty years of age, after a good scholastic preparation, he was admitted into the South Kansas Conference. In 1883, he transferred to the Columbia Conference, of which he was a member until his death, with the exception of two years at the time that some of our territory went to the Idaho Conference. Also a period of twelve years, 1892 to 1904, in which he had the located relation.

No one ever thought of accusing Brother Anderson of being lazy or cowardly. He became an active leader in every circle in which he moved, and his temperament was such that he had a rather wide sphere of activity.

He was a reformer and stood for every advance movement that he felt would in any way enhance the interests of the laboring man.

As a located and supernumerary preacher, he was just as much the man of God, the citizen and the reformer, as he was in the active ministry, and after twelve years of this work, in which time he served as State Superintendent of Public Instruction, County Superintendent of Schools, was in the implement and grain business, he came back into the active ministry and without a taint on his record, and with all the fiery zeal of his young manhood, helping to establish the church in a number of needy places in this Inland Empire.

Brother Anderson was a great believer in the power of the Gospel of Christ, and stood faithfully for the "faith once delivered to the saints."

Shortly before he passed away he wrote a letter in which he spoke of his ministry. He said that if he had it to do over again, he would preach the same way—that had never failed to be true to his best conception of a minister of Jesus Christ.

Brother Anderson had a passion for justice and right. It made no difference how matters looked to his friends or to the world, he stood on both feet, squarely for his ideas of right. He was a man of vision, prayer, and deeply devotional. We shall miss his cheery, vigorous presence, but will thank God for the assurance that there will be a welcome for him on the other side.

Funeral services were held at Spokane in charge of Dr. U. F. Hawk.

During his last days he suffered much, but was constantly happy and living a victorious life.

MYRON ROBERT BROWN

Three score and fourteen years ago there was born in the city of Toledo, Ohio, a babe whom the parents named Myron Robert Brown.

His paternal ancestors came to the United States not long after the landing of the Pilgrims. His maternal ancestors were Methodists, having been associated with the early work of John Wesley in England.

When a lad of six years, his parents crossed the plains with an ox team and settled in Clackamas County, Oregon. Soon after arriving in Portland, Oregon, his father died, leaving his mother with two children to care for in a new and strange land. The provision ship which should have brought them supplies was lost at sea and all that winter the family lived on Oregon potatoes and wild game, without salt.

Myron Brown, while yet a boy, was converted as a result of the pioneer missionary work in Oregon. Early in life he felt the call to preach. God served notice on him sufficiently early in life, that he might get his education and training, but his own course swept him out into secular work, and not until after middle life was he reclaimed. As soon as he was reclaimed, he heard again the call to preach, and in 1889, in the 43rd year of his life, he went to his first charge, which was Grants, Oregon.

The next year he was appointed as missionary to the Yakima Indians. Here the sorrow of his life came when his wife sickened and died. So isolated were they that he had to be not only nurse but undertaker and sexton, too. Four daughters have likewise preceded him, while one son, Rev. Arthur W. Brown of the Puget Sound Conference, and one daughter survive him.

Though beginning later than many, yet his ministry continued over a period of thirty years with but one break of two years. During

his long pastorate of five years at Wallace, Idaho. serious labor troubles arose, but he commanded the respect of all and rendered good service in assisting the officers of the law in performing their duties.

His ministry was a helpful one, characterized by earnest, fervent prayer and preaching, revivals and conversions. Having made full proof of his ministry, he continued steadfast to the end and died while serving as a supply pastor. At Edwall he became ill. After recovery, he visited his son, Arthur, and was offered the pastorate of Hoquiam, Wash. in the Puget Sound Conference, where he served a short time when the final summons came.

The funeral was held from the church he last served, and his body rests in a little pioneer cemetery near Viola, Clackamas County, Oregon, where have been buried his grandfather, his father and mother, and one daughter—four generations.

Thus we chronicle the passing of this faithful servant of the Lord from a good life here to a better there. As the Bible assures us, "To depart and be with Christ is far better"—better physically—"For when this mortal shall have put on immortality" it will not be subject to aches and pains and human limitations. Better intellectually, for here we "know in part," and there "we shall know as also we are known." Better socially, for there will be no sin nor sorrow there, for "God shall wipe all tears from our eyes." Better spiritually, for here at best "we see through a glass darkly but then face to face," and we have the assurance that "we shall be like him, for we shall see him as he is." Therefore

"'Tis not a cause of small import
The pastor's care demands;
But what might fill an angel's heart,
And filled a Savior's hands."

ROBERT WARNER.

✔ REV. HENRY MOYS

Henry Moys, the eldest son of John and Elizabeth Moys, was born in a Methodist home in Hern Bay, England, March 22, 1835, and eighty-six years later, from his home in Portland, Oregon, on Thursday, April 21, 1921, went triumphantly to his coronation.

When 17 years old, Bro. Moys came with his parents to America, and settled in Chicago. He was converted in old Clark Street Church, soon entered the Northwest University at Evanston, later entered the Methodist Itinerancy, and was admitted on trial in the Kansas Conference in 1858. He was ordained Elder by Bishop Simpson in the year 1861. Our Sunday School Advocate for February 28, 1914, has an article concerning a certain church from which we take the following:

"This is said to be the oldest church in use now in the State of Kansas. It was built in 1861, during the pastorate of the Rev. H. Moys, a pioneer Methodist minister, who is now retired and living on the Pacific Coast. The preacher rafted the black-walnut logs across the Kansas River, and worked hard at the building himself. . . . It is now a historic edifice, for it was the boyhood shrone of Bishop William A. Quayle when he was a typical red-headed, frecklefaced, mischievous lad. The church plot is off of the old Quayle homestead at Auburn, Kansas."

In 1886 Bro. Moys came, by transfer, from Kansas to the Columbia River Conference, and was stationed at Ellensburg, Wash. After-

ward he served several charges, and retired finally in 1905.

He and his excellent and accomplished wife were held in very high esteem by all who knew them. While in the retired relation, he served several charges as "supply" in the Oregon Conference. His residence, for many years, has been in Portland, Oregon.

In his later years he very much resembled Bishop Thoburn in appearance and manner. Funeral services were conducted in Centenary-Wilbur Church, Portland, by his pastor, Dr. F. L. Wemett, assisted by Revs. B. J. Hoadley, John Parsons and Harold Oberg, and interment was in Lone Fir Cemetery.

HENRY BROWN.

IN MEMORIAM

Having learned with deep regret that one of our chief pastors, Bishop W. S. Lewis, has passed to the land that knows no pain or death, we hereby express our appreciation of his faithful ministry of love and service. The whole church is bereft.

Our sister republic of China is deprived of the leadership of a rare Christian scholar, whose wise guidance through troublous days has endeared him to the awakening peoples of the Orient.

To the stricken family of Bishop Lewis we extend sympathy, confident that the joy which seeks us through our pain will find and confort them.

OBITUARY OF WILLIAM S. TURNER

William S. Turner was born at Jersey Shore, Penn., May 28th, 1826, of Methodist parentage. He graduated from Asbury (now Depauw) University in 1852. Soon after graduation he joined the South East Indiana Conference and was transferred to a mission at Diamond Springs, California. After serving several pastorates in California, he went to the Sandwich Islands for his health. The next Conference made Honolulu an appointment, and here he organized the first church. Leaving the Islands in 1859, he was appointed to Downieville in the Sierra Nevada mountains. Next he was called into educational work and his experience was as follows: Two years as professor of English Literature and Latin at University of Pacific; seven years as principal of Napa Collegiate Institute, and later temporary president of Spokane College.

After brief pastorates at Fairfield and Petaluma, he was appointed Presiding Elder of the Petaluma District, which embraced almost all of California north of San Francisco.

In quest of a more favorable climate, in 1879 he transferred to the Columbia River Conference and was stationed at Colfax. He speaks of this pastorate of three years as being in some respects the most pleasant and profitable of his fifty years' ministry.

He was again appointed Presiding Elder with residence at Lewiston, Idaho. Other important pastorates were Lewiston, Colfax a second time, and Union Park. Spokane. In 1896 he retired and made his home with his daughter. He died at Spokane rather suddenly November 12th, 1920, at the ripe old age of 94 years, 5 months, 14 days. Funeral services were held from the Liberty Park Church, conducted by Dr. U. F. Hawk and the writer.

MARCUS MARCELLUS WALTZ ,/

Marcus Marcellus Waltz was born in Lincoln, Neb., January 31, 1860, and came to Oregon with his parents in 1862. The larger part of his life has been spent in the Belknap Settlement in Benton County, Oregon. He attended the Willamette University, finishing his course in 1884, and immediately following his graduation led to the altar his classmate, Miss Mary Starr, daughter of a well-known minister of the Oregon Conference, who has been his helpmeet and has shared his trials and blessings through the intervening years.

In September, 1884, he joined the Columbia River Conference. His early ministry gave great promise of success and usefulness. He served the Spokane Circuit and Colfax. From Colfax he was called to the professorship in the Spokane College, where he worked with acceptability until, his health failing, he was compelled to lay aside active service. He spent six years in California seeking to recover strength but was never able to again enter active ranks. Yet his life has ever been filled with service and he was in constant demand for those most sacred ministries which they who knew him thest chose him to perform rather than another.

He died in a hospital at Corvallis, Oregon, November 1, 1920. His body was laid to rest in the Bellefountain Cemetery near his home. He leaves his widow, three sons, Ray M. Waltz of Brownsville, Ore.; Roswell S., and Loyd B. Waltz, who are attending the Willamette University, and a brother, H. W. Waltz, formerly a member of the Columbia River Conference, now residing in California.

He was a faithful Christian, a true brother and a loyal friend. The memory of the just is blessed.
